DENTAL BENEFIT EXPLANATION & AGREEMENT

It is our policy to provide the best dentistry for you. To do this, it is important that we do not allow dental benefits to be a determining factor in the diagnosis. Your treatment will be based upon your needs, and we assume that you are as concerned as we are about maintaining your good health.

The term “dental insurance” is misleading. What is commonly called “dental insurance” is more correctly termed “dental benefits”. Dental benefits are not intended to pay everything, but to assist with costs of dental treatment. Generally, dental benefits pay a percentage of each procedure up to a set yearly maximum. The benefits available to you are established by the plan package your employer purchased.

As a courtesy to you, we will submit claims to your dental plan carrier. We also accept benefit assignment, meaning that we will estimate the expected benefit payment and allow you to pay your estimated portion at the time services are provided.

****However, we do not guarantee any estimate, and should your dental plan pay less than expected, you are fully responsible for the balance. We take no responsibility for any denials by dental plans.****

Balances that remain unpaid after 90 days from the first billed date may be referred to an outside collection agency for further collection efforts. There will be a 30% fee charged for all collection procedures. In the event, that the collection agency uses legal representation, there will be an additional 40% fee charged.

We require 24 hours’ notice to cancel dental treatment or dental cleaning appointments. If you are unable to make an appointment by cancelling the day of the appointment or not showing up for an appointment, you may incur the following charges:

Dental hygiene appointments scheduled with a hygienist may be subject to a fee of \$75.00

Dental treatment appointments scheduled with one of the doctors may be subject to a fee of \$150.00

I agree to these policies regarding my dental benefits and will be held responsible for the entire balance for services rendered after 45 days of service.
